From the South of Flint: Travel North on I-75. Take the Miller Road exit (117B). Turn left onto Miller Road. Continue straight to stay on Miller Road. Our hospital is on the left, just past Linden Road.

From the West of Flint: Travel East on I-69. Take the Bristol Road exit (131). Turn left on Bristol Road and travel a few blocks. Turn right on Linden Road and stay left. Turn left on Miller Road and our hospital is on the left.

Patient Preparation

Your pet should be fasted starting at midnight, the night before the appointment, but water does not need to be withheld. If surgery is scheduled on the day of the consultation, please give Pepcid AC at 6 AM, as instructed by us. Diabetics should receive $\frac{1}{2}$ of the prescribed insulin dose on the morning of the appointment for consultation or surgery.
